

ADC PARKS & GREENSPACE ARBORICULTURE CONSULTATION

FROM: Ian Brewster TO: Janice Chapman

PLANNING APPLICATION: AW/144/13/T

ADDRESS: 11 Follett Close Aldwick PO21 4XH

BRIEF DESCRIPTION: Cut back all overhanging branches of 1 No. Yellow Macrocarpa by 7 metres

INSPECTION DATE: 24th July 2013

RECOMMENDATION:

Objection ☐ No Objection ☒ Suggested Conditions ☒

Comment ☒ Recommendation ☒ Abate a Nuisance ☐

Tree Replacement ☐ Dead/Dangerous ☐ CA & Amenity Value ☐

Comments:

I have surveyed the Golden Macrocarpa and would recommended that a subtle approach to the pruning be carried out to maintain greenery rather than the creation of bare branch ends as this would be temporarily detrimental to the current naturalised backdrop of trees.

Recommendation:

Reduction by 1.5m of the overhanging branches from the Monterey Cypress would be preferred. The conifer tree however is barely visible and where the deciduous trees should comfortably grow into the void once the work has been carried out. Therefore the applicant's proposal is acceptable.
