POLICY COMMENTARY

The Development Plan consists of the Arun District Local Plan 2003, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

A new local plan is in preparation and is a material consideration when determining Planning Applications. At this stage the Arun District Local Plan 2011-2031 (Publication Version) October 2014 and supporting documents were submitted for independent examination on 30 January 2015.

A number of Main Modifications to the Arun District Local Plan 2011-2031 (Publication Version) October 2014 were approved by the Council on 22nd March 2017 and consultation on these has taking place. The Main Modifications should be read alongside the Arun District Local Plan 2011-2031 (Publication Version) October 2014 and where there are changes the Main Modification. The examination was completed in September 2017.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The Neighbourhood Development Plan

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area. Whilst an NDP is under preparation it will afford little weight in the determination of planning applications. Its status will however gain more weight as a material consideration the closer it is towards it being made. Arun District Council will make reference to

an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation (Reg.14).

Made Plans in Arun District Council's Local Planning Authority Area are: Aldingbourne; Angmering; Arundel; Barnham & Eastergate; Bersted; Bognor Regis; Clymping; East Preston; Felpham; Ferring; Kingston; Littlehampton; Rustington; Walberton; Yapton.

Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation(Reg.14).

Aldwick Parish does not have a 'made' neighbourhood development plan, however, the Aldwick Parish Design Statement has been a consideration during the determination of this application.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

PRINCIPLE

The application site is located within the built up area boundary, where the principle of development is acceptable subject to accordance with the relevant development plan policies, as stated in GEN2 of the Arun District Council Local Plan. In this case, the key policies are deemed to be GEN7 and DEV19 of the Arun District Council Local Plan and the Aldwick Parish Design Statement.

DESIGN AND VISUAL AMENITY

As a result of its location and intervening fencing, there are few views of the proposed development available from the street scene. Nevertheless, the proposal is not considered to have an unacceptably adverse impact on the established spatial pattern of the locality, as a result of its design and the consistent form of the development in the area. Furthermore, due to its modest scale and matching materials, the proposal is considered to appear subservient and sympathetic in appearance to the host dwelling, and have no unacceptable impact on the established character of the area or the host dwelling.

Therefore, the proposal is considered to be in accordance with GEN7(ii), DEV19(i) and (ii) of the Arun District Council Local Plan. Additionally, the proposal is considered to be in keeping with the criteria in the Aldwick Parish Design Statement.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed extension is not considered to have a significant overshadowing or overbearing impact on its neighbours, as a result of a separation distance of over 10m to the nearest neighbouring dwelling, and the fact that the development is only single storey. Additionally, the occupiers of adjacent dwellings are not considered to have any significant loss of privacy, as the proposal only features one window, found on the Eastern elevation. Not only is this window over 20m from the closest dwelling to this aspect, but there is also intervening fencing, which obscures views out of this window.

Consequently, the proposal is considered to be in accordance with GEN7(iv) and DEV19(iii) of the Arun District Council Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION**APPROVE CONDITIONALLY**

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).
- 2 The development hereby approved shall be carried out in accordance with the following approved plans:
 - Proposed Single Storey Extension - Sheet 1 of 2

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy GEN7 of the Arun District Local Plan.

- 3 The materials and finishes of the external walls and roof of the development hereby permitted shall match in colour and texture those of the existing dwelling.

Reason: In the interests of amenity in accordance with policies GEN7 and DEV19 of the Arun District Local Plan.

- 4 **INFORMATIVE:** Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
