Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed extension to 10 Aldwick Place does not feature in the guidance and examples given for extensions requiring planning permission. Neither does it feature explicitly in guidance and examples given for permitted development. The proposal does not extend the footprint of existing dwelling nor does it raise the height or otherwise affect the street view of the property. To ensure there is no doubt in the future we ask that a Lawful Development Certificate should be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Pre-application Advice

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Please state the applicant's interest in the land
