Dear Ms Moore,

I'm sorry I misunderstood your previous comment and I also assumed you would be able to set your printer to A3.

Please find attached drawings 001, 002, 003 and 004 which should now be A3 PDFs. I also attach drawing 005 at A3 although not being a scale drawing.

My apologies and hope the attached prove acceptable.

Yours sincerely,

David Tidman

Dear Mr Tidman

Thank you for the attached plans.

Unfortunately I am still unable to scale the plans correctly as they have been submitted at A4 instead of A3 (as shown on the plan). Please resubmit ensuring the page size is set to actual document size (not to fit).

Kind Regards

Nicky Moore
