PROPOSED WORKS : Ground Floor Extension.

4 Mauldmare Close, Bognor Regis, PO21 3SB.

1.0 Biodiversity Enhancement Statement

1.1 The development that the application seeks permission for, is for a single storey extension.

1.2 To show a biodiversity enhancement for the site, we propose the siting of a new bird box, fixed to the existing building to attract nesting birds – similar to that shown below:-

Picture – Bird box fitted to wall.
