Dear Janice,

I have surveyed the application to remove the 'Maple' tree and do not regard it as worthy of a TPO.

Ian

ADC PARKS & GREENSPACE ARBORICULTURE CONSULTATION

FROM: Ian Brewster TO: Janice Chapman

PLANNING APPLICATION: BR/147/13/T

ADDRESS: 21 MONTEREY GARDENS, BOGNOR REGIS, PO21 2FY

BRIEF DESCRIPTION: Pollard 2 No Ash trees to leave 6m standing

INSPECTION DATE: 24th July 2013

RECOMMENDATION:

Objection ☐ No Objection ☒ Suggested Conditions ☒

Comment ☒ Recommendation ☒ Abate a Nuisance ☐

Tree Replacement ☐ Dead/Dangerous ☐ CA & Amenity Value ☐

Comments:

I have surveyed the Ash trees and where found to be suppressed by the adjacent English Oak trees. The Ash have grown towards the north east and are regarded as unbalance, weighted towards that direction and are low over a private backyard.

Recommendation:

I consider the Ash as having low visual amenity and would not object to the proposed work.

Ian Brewster
Arboriculturist
