16th May 2019

Dear David Gerrie

Development:

Beach (T1) - reduce the height by about a third and balance the width of the tree. Where a previous beach had been removed because of disease, this tree had grown lop sided. It needs to be carefully thinned to bring a symmetry to its shape. The height is causing a problem to our neighbours and some branches are again brushing on their roof. The huge size of the tree now casts a long shadow over our gardens and is in need of reduction.

Location:

2 Grange Lodge Aldwick Street Aldwick
