7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes). Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

1. Remove six (6) leylandii hedge at front of property overshadowing Neighbors property and damaging boundary wall. not to be replaces but to allow Magnolia space and light to grow.

2. Reduce height of overgrown ornamental Griselinia situated to left hand side to rear of property to 6/7 feet in height, effecting light to neighbors property.

3. Remove conifer situated to rear left hand side of property to increase light to neighbors garden, protect adjoining fence from future potential damage and allow silver birch and copper beeches to grow.

4. Raise crown and reduce overall height of ornamental Prunus situates to center right at rear of property, tree overgrown and misshapen.

5. Remove dead yew tree situated right rear of property (between wall and corner of bungalow)

6. Remove Pittosporum to rear right hand side of property between right hand side of house and wall, tree leaning badly and too close to property roof.

8. Trees - Additional Information

For all trees

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer.

For works to trees covered by a TPO

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)
