3 Description of Development

Variation of condition 3 imposed under AW/56/98/ to change the use of ancillary dwelling to a holiday let.

In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development layout hereby approved shall be carried out in accordance with the following approved plans AW/56/98 dated 1/04/98.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun District Local Plan.

3 During the defined summer period (March 1st to October 1st) The property shall not be occupied by any persons for a total period exceeding 28 days and the owner shall maintain a register of occupiers for each calendar year which shall include:

1) The full names, occupation, permanent address and contact telephone numbers of all of the person(s) occupying the premises; and 2) The start and end date of the stay and the purpose of the stay.

2) The occupiers for holiday rental shall only occupy the unit for 8 individual weeks of the year between the months of March 1st and 1st October of any calendar year.

This register shall be made available for inspection by the Local Planning Authority at any time, and a copy of the register shall be supplied to the Local Planning Authority at the end of each calendar year.

Reason: The site is located in the settlement boundary where the provision of dwellings is only acceptable where the proposal represents sustainable development. Furthermore, the use of this building as a separate dwelling would not be appropriate having regard to its small size, lack of private amenity space and close relationship to the existing dwelling. In accordance with Arun Local Plan policies D DM1.

4 The annex shall be used for purposes incidental to the occupation and enjoyment of & no.7 High Trees as a single dwelling house and for 8 weeks of the calendar years between 1st March and 1st October as a holiday let and shall not be used for any other purposes whatsoever without the prior permission of the LPA on an application in that behalf.

Reason: Furthermore, the use of this building as a separate dwelling would not be appropriate having regard to its small size, lack of private amenity space and close relationship to the existing dwelling. In accordance with Arun Local Plan policies D DM1.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the
