Dear Norman

I tried calling yesterday and have left a message.

You will be required to provide details of the samples (manufacturer specification, photos, schedule of materials) as this information is posted on our website and it will also be advertised as it relates to a Listed Building. We also keep the details on our records.

If you have any further queries, please do not hesitate to contact me.

Dear Nicola

Thank you for your letter of the 26th April regarding the above.

I submitted samples of the main materials to Amber Willard on the 1st March 2021, subsequently I now understand that I have to make a formal application which your letters refers to. I note from an email from Amber Willard that the samples are likely acceptable. Is it still necessary therefore to provide any more details of these as noted in your letter? (I have tried phoning you twice so have been unable to discuss this with you)

Kind regards
Norman
