Dear David,

As you know, we have had to employ an external Arboriculturist contractor to provide our Tree consultation response. I did stress to our Parks department that I needed the response by the start of this week in order to compile my report. However, I have not received anything. I have chased them today. However, I am afraid it is looking unlikely that we will get them in time to get the report done for the September 20 Committee.

Kind Regards

Good morning Simon,

Is there any further news on this application, particularly with regards to your landscape architects visit some weeks ago now?

Regards
