Dear David,

I have just noticed that the revised northern elevation on "Proposed Elevations 1 (North & East)" dwg. TSP 481 PL26 Rev B has reintroduced the two roof velux windows which you previously removed following Conservation Officer comments. I assume this is a mistake as these windows are not shown on the roof plan or other plans. Can this be rectified asap please.

Kind Regards

Dear David,

I received the amended comments yesterday by email whilst I was away from the office. The objection has been withdrawn and therefore this will now go to the December 13th Committee meeting.
