Planning Application: AW/157/11/T

Dear Sir/Madam

The West Sussex Wildlife Protection Group opposes the planning application above.

Reasons are as follows: No surgery due to possible nesting birds

Would you please note that any felling of trees, lopping, tree surgery, ground clearance or any activity involving nesting birds during the months between April to September contravenes the Wildlife and Countryside Act of 1981 and 1985 especially if protec ted species are involved, also if there is any earthwork involving mammals then the Wild Mammals Act 1996 would be contravened leading to Police prosecutions.

Please contact above group for legal advice and site survey.

Yours Sincerely

Jaine Wild
Secretary
