Dear Ms Grinstead,

Unfortunately I cannot hold the application up for another week as we have set targets and have to deal with applications within 5 weeks. At his stage the recommendation for refusal is awaiting signing off by the team leader.

Dear Ms Grinstead,

The advertising period will expire on the 22nd August. I shall be in a better position to let you know as I will be discussing this with my team leader. The Parish Council have objected so if I were to recommend approval this would have to go before the Development Control Committee members on the 18th September.

Good afternoon

I'm writing with reference to the application above. If you have any comments regarding the application, which you feel would mean the application is Declined, I would be grateful if you could let me know so we have a chance of amending the plans prior to the decision.

Many thanks
