Dear Sir/Madam,

re. Planning Application AW/159/13  
- 78 Barrack lane

We would be grateful if you could  
note our objection to the above  
application to construct a new  
detached garage.

Rather than re-list the large number  
of issues already raised by other  
residents, we would like to endorse  
these comments - the proposed  
structure is NOT suitable in this  
area. Thank you.

Yours faithfully

Philip Heaver
