Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/159/21/HH
Site Address: 25 The Drive Aldwick PO21 4DU
Description of works: Loft extension with 3 x rear dormers. This application affects the setting of the Craigwell House Conservation Area.

Thank you for your internet representation made on 15th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37427

I strongly object to this application on the grounds of privacy. Craigwell is private estate and therefore this additional high level extension is an unwanted intrusion over my property. I do not object to the first floor dormer extensions only the high level loft one. This high level loft modification is both unwanted here and not in keeping with the privacy the estate dictates. The existing plans and future renditions are also not an accurate representation of the property so I urge Planning to review this application accordingly.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date

of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
