Dear Ms Leeson,

Apologies for the delay in replying. Please accept the roof tile sample originally submitted at the same time as the cedar cladding. This is the tile that I wish you to consider.

Regards
 Richard Leney

Ms Leeson,

Thank you for your reply. By a 'new schedule' are you referring to a new completed application? Would I need to pay another fee?

Dear Mr Leney

I cannot discharge this condition without a sample of the bricks to be used. Therefore if you wish to change the roof tile, please bring in a sample of the tile you wish to use and a new schedule to reflect that.

Subject: AW/15/12/DOC

Dear Ms Leeson,

I am emailing regarding application AW/15/12/DOC which is an application regarding discharge of a planning condition for the newbuild property in Hewarts Lane. I submitted a sample of roof tile (plain clay) and timber cladding Western Red Cedar featheredge. I may wish to make a change to my application by submitting a different roof tile - interlocking concrete. Please could you advise if it is possible to make this change to the current application, or whether I would need to submit a new one.

Thank you for your time

Richard Leney
