Dear Sir

31 Queensfold West
AW/16/18/HIT

Further to my previous letter regarding the above, I feel that the changes to the submitted plans do not make this any more acceptable, it will still look like a public toilet block. It will spoil the outlook for existing houses & bungalows in this lovely garden.

estate. I feel to allow this
would open a can of worms &
this whole estate would be
spoilt.

Yours faithfully
