Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Tree Preservation) (England) Regulations 2012**

Application No: AW/161/21/T  
Site Address: 219 Aldwick Road Bognor Regis PO21 3QG  
Description of works: Reduce height of 2 No. Leylandi trees to 6.5m

Thank you for your internet representation made on 10th June 2021 which has been recorded as support with the comments as follows:

OWPC37325

I write on behalf of my father Stanley Hayter 16 Aldwick Gardens [REDACTED]  
The two Macracarpas which are the subject of the planning application have grown considerably in recent years and encroach considerably into the rear garden of No 16. They completely overhang my fathers garden, shed and greenhouse by probably 8 metres and are now growing into the apple tree. They were last cut back some 5 years ago but only on the side of Mr Taylors property which has left them unbalanced and potentially unsafe in strong winds.

I welcome the plan for height and lateral 2.5m reduction but would like permission for this to be extended to my fathers (and his neighbour at no.14) side in order to restore overall shape and balance to the trees, make them safe and preserve their health and integrity for future years.

Mr Burge at no 14 has kindly kept me advised of this application and I would be happy alongside him to engage the same tree surgeon as Mr Taylor (subject to satisfactory quotes etc) in order to complete the work seamlessly.

Thank you
