3. Description of the Proposal

Please describe the proposed development including any change of use:

Next to 15 Keble Close and running along Oxford Drive lies a plot of unused grass verge. It is our intention to be transferred a small parcel of this land directly next to our property to increase the surface area of our back garden and put a fence around it. The approximate size of this parcel of land is 5m at its greatest width towards the direction of Oxford Drive and 3.55m to the north of this, it is 14.80m in length.

The parcel of land in question is being transferred to us from the previous property developers who own the parcel of land- Westmoreland Properties (Director Joseph Murphy, Email: joseph.murphy@csbgroup.co.uk, Tel: 0116 260 3877, Solicitor to transfer land Andrew Klimowicz Email: andrewklimowicz@craneandwalton.com, Tel: 0116 2551901.
Once the land is transferred to us we will own the subsoil.

The topsoil is adopted highway and maintained by The Highways Department. We will next carry out a Stopping Up Order to remove the highway status and change it to a private garden. The Highways Department have been notified of this and are happy to proceed. We then intend to put a fence around the new plot of land to tie it in with our existing garden. The application for the Stopping Up Order has been sent to the National Transport Casework Team and officer assigned to the case is Claire Moody, Tel: 0207 944 4114, Email: Claire.Moody@dft.gsi.gov.uk or NATIONALCASEWORK@dft.gsi.gov.uk>
