Dear Ms Malik,

Thank you for your initial response to our recent application.

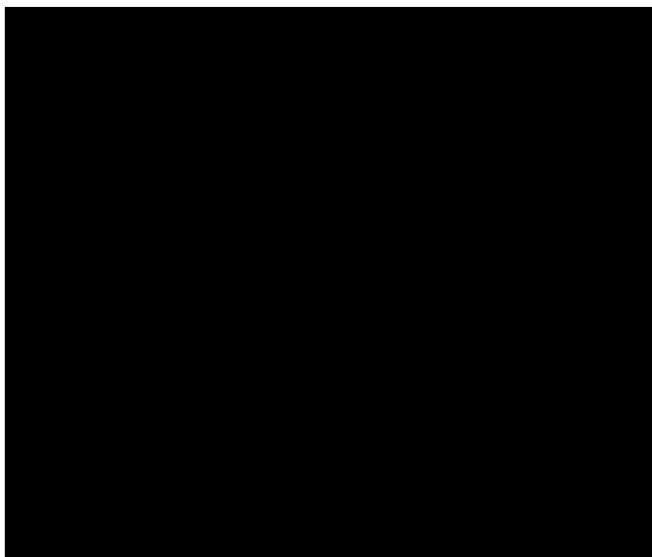

We have no objection to the 'demolition of an unlisted building' section being removed.

The dimensions to the West and North boundaries were easier to include on the proposed floor plan in this instance. The proposed conservatory does not extend past the furthest extent of the rear elevation, as such the Eastern boundary dimension has not been included.

I realise it will not be your department but for reference it would be helpful if the CIL charging areas were included on the council's map of validation requirements. The requested CIL form is attached.

If you have any questions or require further information please let me know.

With kind regards
