A/163/18/18

ARUN DISTRICT COUNCIL

24 AUG 2018

RECEIVED

Dear Sir/Madam,

It has been brought to my attention that the residents of No. 1 Regents Way, on the Westmeads estate, have, or are about to apply for permission to build a bungalow in their garden.

I understood that their planning application was to be for an extension to the West Meads Drive side of the property. As this would not have impacted on any one locally, I did not

object, but this latest information is totally different.

Already they have removed the large willow tree, which their bungalow was named after when they bought it, and was one of the oldest trees on the estate. That gave a much more open look to the bottom of my garden, but was acceptable.

The building of a bungalow in their small garden would be completely different, as there would be no privacy and it ^{would be} overpowering.

than that of No 1 Regents Way.

So, on these grounds I strongly
object to this building
application

Yours sincerely

and an over development of the plot.

The bungalow at present already has numerous vehicles parked within the front garden, and often on the road near the corner where the property is sited, which is dangerous to other road users, including the bus.

I believe a while ago, an application was made regarding a bungalow in Greyfriars Close having a bungalow built in their garden, but this was rejected even though that plot was larger
