Date
04/08/2021

Dear Sir/Madam,

Proposal: Outline application with some matters reserved (landscaping) for the proposed conversion of existing dwelling into 4 No. flats to include single & two storey rear extensions & first floor extension over garage (resubmission following AW/251/20/OUT). This site is in CIL Zone 4 (Zero Rated) as flats.

Site: AW/164/21/OUT: - 14, Princess Avenue, Aldwick, PO21 2QT.

Thank you for your letter dated 05/07/2021.

Southern Water requires a formal application for a connection to the public sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
