Subject: AW/165/18/T - incorrect site description
Importance: High

Dear Miss Burrows,

Reading the application, I accept that it is not clear BUT the 'Location' of all documents, including the West Sussex Gazette, is lamentably inaccurate and I felt that you may care to make corrections.

There are NO 'Craigweil Works' and, consequently, NO 'Compound of Craigweil Works'. Craigweil Private Estate is intended to be a quality Marine Estate. The area which I see you have marked is now redundant land but owned by the Estate and was – or you may say is - the 'the former estate gardener's shed and land surround – something like 20' x 20'! SO, 'Disused former gardener's shed and surrounding land' would be an accurate description at this moment.

I hope that you may feel disposed to correct this and I look forward to hearing from you.

Kind regards,

Richard Ostler, Chairman, CHECAA.
