Dear Mrs Puttock,

Sorry to email again but the report is currently being cleared by my Team Leader and group Head of Planning. If you could agree to a further extension of time until 12th September I would be very grateful. My Team Leader is on annual leave tomorrow.

Dear Ms Puttock,

Following a further meeting with my Team Leader today. We have been able to reach agreement that we can recommend approval for the application.

As you know we received an objection from Aldwick Parish Council, the Economic Development team and the application could not be supported by our Valuer. The change of use is also directly against saved policy GEN36 of the Arun District Local plan. However, we are not of the opinion that the impacts of the change of use to C2 (residential institutions) and loss of the tourist use would be so severe that we should refuse the application. It is considered we should make an exception to the Development Plan in this instance.

As such I will be recommending the application for conditional approval. However, I fear I may not be able to complete the report today given the additional wording needed to explain the above formally in report format. Would you be able to agree an extension of time until Tuesday 5th September?

As stated in my last email I will be working on this report now until the end of work today.

Regards,
