Subject: 11 The Drive Tree application AW/166/19/TC

Dear Ms Moore

Thank you for your call today.

As discussed we would like to change the work on tree T6 (which is a Pittosporum) in our sketch to - Cut back the overhang over the driveway and reduce crown by 1.5m to reshape the tree.

We no longer wish to remove the whole branch following a discussion with our tree surgeon.

Regards,

Alex Hamilton
