Mrs Greenfield,
7 Conestable Cottages,
Barrack Lane,
Aldwick,
West Sussex,
PO21 4DZ.

3rd July 2014

Dear Mrs Greenfield,

As per your request please find below.

1) To lightly reduce holme oak tree which is overhanging neighbours property starting from the top to be reduced by no more than 1 meter, then to reduce overhanging branches by 2 meters down the side of the tree and to shape in with the remaining crown of the tree. This in my opinion would benefit the tree and would give it a better appearance.

I hope this helps.

Yours Sincerely,

Ian Stevenson.

Including: Thinning - Felling - Crown Reduction - Hedge Cutting
Stump Removal - Fencing - Garden Clearance
