Dear Mr Wilkinson,

Please find attached our tree officers report for the above application which you have submitted.

As it stands our tree officers decision will be refusal for the application in it's current state. However, if you agree to reduce top-height to leave a minimum of 13m above ground level and reduce radial spread on the south and west aspects, leaving a minimum of 8m and 9m respectively the decision will be approval with the following conditions outlined in the application.

If you agree to the following please email back to confirm this by 14:00 on Friday 11th September otherwise your application will be refused.

Many thanks
