meters Crown Condition: fair Form: fair Age Class: semi mature

Comments:

- The trees outlined in this application are located in the rear garden of 6, Windmill Close.
- For T1, the applicant has applied to thin the crown by no more than 20% and to reduce the crown by no more than 20%. From the site inspection it is evident that the applicant has applied to repeat the previous pruning operation undertaken to this specimen.
- For T2, the applicant has applied to thin the crown by no more than 20% and to reduce the crown by no more than 20%. From the site inspection it is evident that the applicant has applied to repeat the previous pruning operation undertaken to this specimen.
- For T3, the applicant has applied to thin the crown by no more than 20% and to reduce the crown by no more than 20%. From the site inspection it is evident that the applicant has applied to repeat the previous pruning operation undertaken to this specimen.

Recommendation:

- As the applicant has applied to prune to the established pruning points on trees T1 – T3, I would have no objection to the proposed pruning operation has that have been outlined in this application
