Your Ref AW/170/18/HH

Dear Sir / Madam,

As requested I have enclosed 3 sets of the location and Block Plans and outlined the building site with a red line on the location plan and marked the area where the Porch is on the Block Plan.

I have noticed a slight error on the U.K. Planning Maps as it doesn't show our entrance/driveway into the property, but it does exist the same as all the others.

I have contacted UK Planning Maps and advised them of this.

Please find enclosed a cheque for £206.00 in payment for the above ref. planning application.

Thank you for your assistance.

Yours Sincerely
