Dear Sirs,

Planning Application AW/172/17/TC 47 THE DRIVE

I refer to the hedge of leylandii, which runs along the southern boundary of my property.

I estimate that the hedge has a height of about 6m.

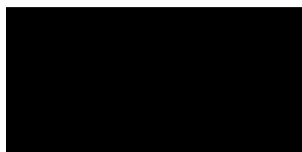

A reduction of only 1m is insufficient and 3m would be more appropriate.

The original lopping/topping of the hedge, at about 3m, can be seen at the eastern end, looking from the north.

A height of 3m would restore our view of the garden at 74, The Drive and the sea beyond and allow more sun and light into the garden and rooms on the ground floor.

This hedge needs to be reduced by much more than the proposed 1m and therefore I must object to the application.

Yours faithfully,

R.W. Bremner
