Planning reference: AW/172/18/T

I visited March Wind, Dark Lane, Aldwick earlier today and met with the applicant. I was able to undertake a close inspection of the four trees, subject of this application.

I have undertaken a desktop review of the Tree Preservation Orders which affect this plot. My understanding is that the four trees are not individually listed on any of the schedules or shown on any map. It seems that only Bognor No2 (Area Order) could apply.

If my understanding is correct, then as these four trees do not pre-date 1958 this Order does not apply and so our consent to carry out the proposed work is not required.

My recommendation is that the applicant be advised to proceed without further recourse to this Authority.

Regards,

Mark
