Subject: Works to Acer Tree on the verge, outside 38 Wychwood Close, PO21 4DW

Dear Sirs,

Please accept this as a Sec 211 notice of intent to carry out works to a tree in a conservation area. The intention is to crown lift and reduce the Acer. The reduction will be approx 50cm all over.

The tree in question was subject to planning consent under AW/75/17/TC. Consent to fell was granted on 11/04/17. You will find a location plan and full information on the tree within this application.

Following the granting of permission it was decided not to fell the tree. It is now in need of some attention.

Thank you for your help in this matter
