

Elaine Malby
Arun District Council Planning Dept

25 SEP 2026

Dear Elaine

Unfortunately I have had an issue with the application form, so have printed and written on it. Hope that is ok?

I have attached a plan of where the tree is. I did take a photo too but have had issues with my computer with that. I am more than happy for someone to come out again and see it. Mark Warwick has already been. We were hoping that the removal of the TPO previously still stood, as we were given the letter by our solicitor as part of the info re the property to confirm there was not a TPO on the tree.

I have completed the form with all the information available to me and look forward to hearing from you.

Kind Regards

John & Jane McGuane
