

2 Fernhurst Gardens, Aldwick, Bognor Regis, Sussex PO21 4AZ

The Planning Department
Arun District Council

July 13 2015

Dear Sirs.

Planning Application AW/175/15/T
Proposed felling at 52 Barrack Lane, Aldwick

This part of our suburban environment is prized and precious because of its trees. The loss of a large evergreen could have only an adverse effect. Unless the tree is diseased or dying, or threatening people or property, it should be retained, and its importance as an amenity recognized by it being put under the protection of the local authority. Perhaps your department would consider the alternative of putting in place a Preservation Order? How should I go about formally requesting this service?

Yours truly,

C.S.Crouch
