Hi Charlotte,
I have spoken again with Dafydd Lloyd about the work on the other trees in the garden and he suggests I should word it there would be a "hight reduction of about two metres." I'm sorry not to have responded sooner.
Thank you for all your help in this matter.
Regards
Vincent Eade.

Dear Mr Eade,

Thank you for your email. Unfortunately Mrs Greives is unexpectedly out of the office this week and therefore your application has been passed to me.

I have shown your email to the Team Leader and unfortunately we have a query. Please confirm if the crown reduction is to be all over the tree or just part of (ie: top, sides or the underneath of the tree).

Many Thanks for your time and apologies for any inconvenience.

Charlotte

The information you requested is as follows;
Tree number one is a conifer which is starting to block the driveway. If possible this to be removed. There is a Lilac and a Beech Tree to be crown reduced by less than a metre.

I would be very happy to meet with your representative on site in order to discuss this work if this were possible. A telephone call giving twenty four hours notice would be appreciated. The lady I spoke with on the telephone at 1400 hours today informed me that T.P.O.s are in place for trees planted before 1958 if this is correct these trees are not that old. If you require any further information do not hesitate to contact me.

Vincent Eade.
