Dear Mr Matthews,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10**

**Non-material amendment following the grant of AW/39/16/HH to replace french windows & side lights to first floor balcony in place of existing single door & bedroom window.
8 Meadow Way, Aldwick, ,**

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

The reasons that these proposals have been accepted as Non-Material Amendments is because the substitution of french casement doors and side lights for an existing door and window will not detrimentally alter the appearance of the proposed extension nor will it give rise to any unacceptable overlooking and it can therefore be considered under section 96A of the Town and Country Planning Act 1990.

From the information submitted I am able to accept drawing no.1826.P.03 as a Minor Amendment to AW/39/16/HH.

I trust this information is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
