7 March 2018

Our Ref : **AW/17/18/TC**

Your Ref:

Dear Mr Sinclair,

Please ask for :
Amber Willard
01903 737500 x37445

Reduce 1 No. Eucalyptus and 1No.Willow tree to previous pruning points approx 2-3m. Reduce 1No. Acacia by 3m within Aldwick Bay Conservation Area. 9 Willow Way, Aldwick, .

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided not to make a Tree Preservation Order in this case. You may therefore proceed with the works outlined in your notification.

ADVISORY

When undertaking repeat crown reduction work- remove branches to just beyond position of past pruning cuts in order to ensure a satisfactory standard of tree surgery.

Reasons: In the interests of the trees continued health and long-term vitality.

INFORMATIVE: The applicant should note that under Part 1 of the Wildlife and Countryside Act 1981, with only a few exceptions, it is an offence for any person to intentionally take, damage or destroy the nest of any wild birds while the nest is in use or being built. Birds nest between March and September and therefore removal of dense bushes, ivy or trees or parts of trees etc. during this period could lead to an offence under the act.

INFORMATIVE: This notice does not give authority to destroy or damage a bat roost or disturb a bat. Bat species are protected under Section 39 of the 1994 Conservation (Natural Habitats etc) Regulations (as amended), the 1981 Wildlife and Countryside Act (as amended) and the 2000 Countryside and Rights of Way Act. It is illegal to damage or destroy any bat roost, whether occupied or not, or disturb or harm a bat. If you are aware that bats roost in a tree(s) for which work is planned, you should take further advice from Natural England (via the Bat Conservation Trust on 0845 1300228) or an ecological consultant before you start. If bats are discovered during the work, you must stop immediately and contact Natural England before continuing.

I trust this is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
