-------	---------------------------------

POLICY COMMENTARY

The Development Plan consists of the Arun Local Plan 2011 - 2031, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The Neighbourhood Development Plan

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area.

Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation(Reg.14).

Aldwick does not have a neighbourhood plan but does have a Village Design Statement.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

The temporary classroom has been in place for a number of years. Environmental Health have not responded to the consultation regarding the impact of noise however given the presence of the building over a number of years it is not considered to result in a decrease in the levels of amenity experienced by the neighbours. The impact on the residential amenities of the neighbours is also unchanged regarding overbearing and overshadowing. The building is not readily visible in the street scene. There are no side windows so overlooking is limited.

It is recommended that no objection be raised to the proposal.
