Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/17/22/HH
Site Address: 11 Fish Lane Aldwick PO21 3AH
Description of works: Erection of two storey front and side extension and single storey side extension following the demolition of existing single storey extension.

Thank you for your internet representation made on 15th March 2022 which has been recorded as support with the comments as follows:

OWPC45222

Hello,
Having been fortunate enough to speak to the couple at 11 Fish Lane, I would like to support the application to extend the house. I would also like to comment on the previous objection regarding the parking situation. Mr and Mrs Hammond have assured me of their plans to improve the parking situation. They do live on a busy road but with young children this is one of their main priorities - to keep them safe. They have spoken to me about the wall and how they park. The extension by the garage will make no difference to their driveway in size. They plan to open up the wall so they can drive on and off their drive from both directions and have mirrors and cameras up so you can see properly, therefore making the parking and driving safer for their family and drivers on the road.

Kind regards,
Ms Leanne Ford.

Your views as made above will be considered before the application is determined.
