*Planning Ref AW/181/15/HH
Dear Sir/Madam*

*I would like to make know that I approve of the changes planned in the above application. I have stayed at the property on numerous occasions, I am 84 and my husband is 93 and in a wheelchair, I must say that we will find the lift very helpful as at the moment my husband is not able to get up to the lounge and enjoy the lovely views. Mr Greenwood has also applied to extend the balcony allowing easy access for the wheelchair, this will make such a difference to us as the sea is not visible from the ground floor, and also to anyone else who may be disabled. I must also mention that we have found the house freezing when the weather is bad, I dread to think what their bills are. I hope that you will take notice of my comments.
Yours faithfully,*

Mrs J Mutton

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a

small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
