Dear Sir,

PLANNING REFERENCE NUMBER

AW/181/15/HH

I wish to register my objections to the application above in no uncertain terms.

Having lived on Marquis Way for over thirty years, we came here to run the seaside school, which was then sold to TMY Homes for redevelopment. Having adjusted to the upheaval we were pleasantly surprised to witness the care and harmony of the designs for all the different types of dwelling, none of the properties seemed out of place and we were pleased to continue to live here.

Now that we hear there are to be considerable changes to number 11 we feel that the special character

of the whole Estate will be compromised.

To have one property, particularly in a very conspicuous position, will simply negate the harmonic symmetry of the whole Estate

Yours sincerely
