Dear Richard

Please withdraw the application.

On another note would a raft type substructure not help against the intrusion to the trees ?

Dear Mr Barrow,

Thank you for the quick response. Having just heard back from the tree officer, he has an in-principle objection to the proposal owing to its proximity to TPO trees. As such, are you willing for me to withdraw the application?

Dear Mr Barrow,

Having spoken to my Team Leader today he feels the proposal may be too large and thus out of character with the street scene to be recommended for approval. I am speaking to the DC Manager tomorrow to see if he thinks we can take this application forward to committee with a recommendation for approval.

I apologise that this is the case, as stated previously below I thought I would definitely be able to take the application forward for approval but just to make you aware this may not be the case.

Dear Mr Barrow,

As the Parish Council has objected to the application, it will be heard at the 23rd September Planning Committee.

I will be recommending the application for approval.

Dear Mr. Temple,

I am aware that objections have been received in respect of the above application and am writing to ask whether these are going to be given serious consideration. I am also quite surprised of the lateness of these objections.

With the decision date for the application being 8th September my client is very anxious as to the anticipated outcome.

Yours sincerely,
