RECEIVED

Thank you for the letter of 31/7/12 regarding
the Conifer outside our house.

About 6 branches run across the lawn
for approximately 10 metres.
Obviously affecting the garden border
and lawn. Branches have never, to
my knowledge, been cut back from our
garden, although they have from the
road; we have lived in the house for
30 years. The branches should be cut back to
the trunk, rather than leaving unsightly stumps.
It is not our tree, being outside the

• Our property, so that if we agree
the action between us, I shall
have to request the Bay Directors
to take steps to reduce the tree.

At one time, I was Director in
charge of trees on the Bay Estate
so you can rest assured I am
confident the action is necessary.

If you wish to discuss, please
phone.

Yours sincerely -
