15th June 2017.

To whom it may concern:

Garden

I was asked to visit 5 Woodstock Close, Aldwick, Bognor Regis PO21 3PR to inspect the condition of 2 sycamore trees situated in the middle of the lawn are close to the conservatory.

Both trees have severe die back in the upper crown of both trees and for this reason I would advise they should be felled as they will become dangerous.

Yours Faithfully,

Ian Stevenson.
