FAO Sian Eggington,

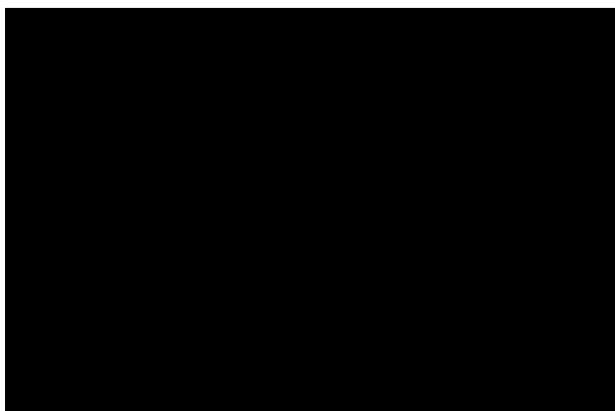

Further to your recent email, please find attached our revised drawing 853 PL02 Rev A indicating dimensions to boundaries for the extension and garden room as requested.
The side 'extension' is an infilling of an existing small access route / courtyard between the boundary wall and existing kitchen and is therefore directly on the boundary and no dimension is possible.

We agree to the following revised application wording;

Single storey side extension, porch to front, detached single storey outbuilding to rear
To be used as a garden room, conversion of detached garage room from flat to pitched and alterations to fenestration.

If you require any further information please do not hesitate to contact me.

Kind regards,
