Dear Sian Eggington,

I have filled out and enclosed the requested forms and the location plan with the red boundary of the whole site. I hope that this is now adequate for your needs.

Please let me know if you require anything else.

Yours sincerely

Susan Krueger.

Dear Susan Krueger.

Thank you for your email however the invalid information does not relate to your block plan. I have attached the incorrect plan that the letter relates to. I have also attached a blank copy of the correct application form you are required to complete. The application is invalid for the following reasons:

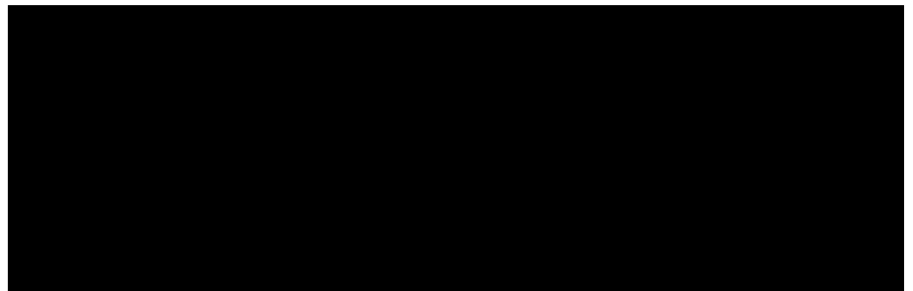

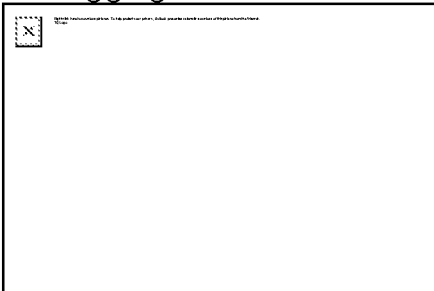

Full Forms: As the property is a flat you are required to submit full planning forms not householder planning forms. Please submit accordingly.

Location Plan: Please include the entire site within the red outline on the location plan and not just the property. In this case the red outline should go around the existing polygon of the site that separates the site from the surrounding properties.

If you require any further help please don't hesitate in contacting me at this email.

Kind regards

Sian Eggington
