Dear Mr Davis,

I am a little confused regarding the e mail you have just sent me.

Firstly, I am delighted to hear that you have completed your reports and decision notices in respect of the above application. You have asked me to agree to an extension of time on both applications until Friday 2nd November which is the date that Sue Bowley had already confirmed to me following the complaint I made 5 weeks ago.

I can only hope and assume that you need an email from me agreeing to Extensions of Time due to the fact this was an error on your part when the original decision date of 1st October was overlooked and I was never notified.

I therefore confirm that on the 1st October 2018 I did agree to an extension of time until Friday 2nd November.

I trust this now meets with your requirements and I look forward to receiving your decision on Friday.

Kind Regards

Lorraine Musa

Dear Mrs Musa,

RE: AW/87/28/PL & AW/188/18/L

In accordance with the agreed timetable that Sue Bowley stated to you, I have now completed the two reports and have drafted the two decision notices. The next step is for me to pass these to my Team Leader, Daniel Vick for his review. I write however to ask whether you would be able to agree Extensions of Time on both applications until Friday the 2nd November. This is for our figures (i.e. it means that we can report to central Government that the decisions were made within the agreed time period). If you are able to agree, could you confirm by email. I will then pass both files through to my team leader.

Kind Regards
