Sue,

I understand you have had conversations with Nicola and Amber this afternoon.

As has been explained to you by Nicola the wrong date was entered into our system when the application was being made valid. This meant that application was not generated on to the relevant weekly list. However I believe you were notified of the application via email of 27th June 2019. It is unfortunate that the incorrect date was entered in to the system but I am satisfied that we notified the Parish Council appropriately through the email mentioned above.

You asked Nicola that we update the officer report on this application. As you are aware a decision was made on 20th August 2019 and as the officer report has been published on our web pages it is not possible to change the report. However this email will also appear on our web pages against the relevant application number and this will explain why the Parish Council didn't comment on this application.

I hope these comments are of assistance to you.

Daniel Vick
