19th August 2008

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

The Town and Country Planning (Tree Preservation Order) Regs 1999

Hedgerows Regulations 1997

Fell one Hornbeam

Aldwick Farm Aldwick Road Bognor Regis

Thank you for your internet comments made on 19th August 2008 and recorded as follows:

OBJECTION ☐

The tree does not appear to be dead, dying or dangerous and no Arboriculturist's report was included to support this application & this contravenes Arun DC policy i.e. that a report from an accredited Arboriculturist MUST be included when permission is being sought to fell a tree. Members believed the application should therefore be returned to the applicant with a request for such a report. ☐

Ron Palmer, Parish Clerk

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Zachary Ellwood
Interim Head of Development Control
